

Louisiana Automatic Fire Alarm Association, Inc.

Presidents Report January 2025

Danny Brown
President

Welcome to our January 2025 quarterly meeting.

Brad Boudreaux
Vice President/Secretary

We know and understand the cost impact on your company for you and your employees to attend these meetings. Thank you to each company we have represented here today.

Greg Savant
Treasurer

Thank you to Convergent for sponsoring today's meeting. They will have 5 minutes prior to lunch to let us know more about their company. They get to boast however they wish.

Michael Maggio
Director
Eastern Region

Siemens will be our sponsor for our March Meeting. June and September are open, we would welcome your company to sponsor. With a sponsorship you get 2 free registrations and 5 minutes to inform us the highlights about your company.

Shane Seaux
Director
Western Region

We are strong financially. We will have fire industry presentations and classes in our March, June, and September meetings.

Gene Osborne
Director
Northern Region

March will be focused on Sprinkler and Special Hazard Plan Review qualifier course presented by LA SFM Personnel followed by Maria Marks with Siemens. Maria will do presentations on Fire Code Updates and Lithium Battery advanced detection and suppression.

Bart Conradi
Director-At-Large

We hope to have a fire alarm class for new technicians that with a passing score of 70, will allow the technician to obtain a fire alarm license with the LA State Fire Marshal.

Don Law
Liaison
State Fire Marshal
