## Presidents Report March 2026

**Danny Brown**  
President

Welcome to our March quarterly meeting. We have a full day today between our business meeting, election of 2026-2027 officers, directors, and committee members as well as training we have on the agenda.

**Brad Boudreaux**  
Vice President/Secretary

Thank you to Fire and Safety Specialist for being our meeting sponsor. Kidde Commercial will be our sponsor for the June meeting. We are looking for a sponsor for our September meeting and welcome you to be our sponsor. Please let any board member know you are interested and we will put you down as the sponsor.

**Greg Savant**  
Treasurer

**Michael Maggio**  
Director  
Eastern Region

Just a reminder concerning the elections. You must either be the voting representative of your company or be approved by your voting member to vote in their place.

**Shane Seaux**  
Director  
Western Region

Today is bittersweet but also a great day. This is my last day to serve on the board in 15 years. Thank you to the current and past board members for your support over the years. Could not have done this without your support.

**Gene Osborne**  
Director  
Northern Region

I feel very good knowing the ones that currently serve and the ones elected today will carry this great association well into the future, promoting fire and life safety in Louisiana and throughout the world. Although I will not be on the board, I will be here to support the board. They know I will be here to assist with historical or current data as needed.

**Bart Conradi**  
Director-At-Large

As of today, we are current with federal and state authorities. We recently filed our 2025 records with the IRS and are current with the LA Secretary of State filings. We have a few items to button up internally and will take care of that soon.

**Don Law**  
Liaison  
State Fire Marshal
